

## THE ADVENT WREATH (ALL LEVELS)

### FOR THE TEACHER:

The curriculum makes specific reference to the Advent wreath at Level 1. However, the wreath can be used to help children of all ages understand the movement through the four weeks of the season of Advent.

Light has always been a symbol of hope in the darkness. We know that the people of the Stone Age built Newgrange in such a way that the light of the rising sun enters the chamber at the darkest time of the year. This was a sign for them that the light was beginning to overcome the darkness. Long before Jesus was born the people of Eastern Europe made wreaths of evergreen branches and added lighted candles as a sign of hope in the dark days of winter. In northern European countries lights were placed on wheels and prayers were offered to the god of light to turn the wheel of the earth back towards the sun.

By the 1500s Christians had adapted this tradition and were using Advent wreaths as part of their preparation for Christmas. They were remembering what Jesus said, *'I am the light of the world. Whoever follows me will never walk in darkness but will have the light of life.'* (Jn 8:12) By the 17<sup>th</sup> century the Advent wreath was used throughout Germany to mark the time spent waiting for the birth of the Christ child at Christmas. From Germany this tradition spread to the rest of the world.

## THE ADVENT WREATH EXPLAINED

### A CIRCLE OF EVERGREEN

The wreath is circular in shape to show the everlasting love of God, a love that has no beginning or end. Evergreen leaves such as holly, laurel, ivy, spruce or pine are used also help us to remember that God loves us always. The kind of leaves used can also have a meaning that can be related to our faith. Laurel leaves are signs of victory over persecution and suffering. The prickly leaves of the holly can remind us of the crown of thorns worn by Jesus.

### 4 CANDLES

### THREE PURPLE AND ONE PINK

There is a candle to be lit at the beginning of each of the four weeks of Advent. There is also a tradition that says that each week of Advent represents a thousand years, so that the four weeks add up to the four thousand years from Adam and Eve until the birth of Jesus, the saviour of the world.

There are three purple candles. These remind us that Advent is a time when we are asked to pray and to think about those areas of our lives where we need forgiveness. Purple is the colour of repentance in the Church. During Advent people are invited to celebrate the sacrament of reconciliation during parish Penitential Services.

The pink candle is lit on the Third Sunday of Advent which is also called *Gaudete Sunday*. This means Joyful Sunday or the Sunday of Rejoicing. We rejoice because we are more than half way through our preparation for Christmas and the birth of Jesus draws ever closer. On the Third Sunday of Advent the Entrance Antiphon at Mass echoes the theme of rejoicing when it proclaims; *'Rejoice in the Lord always, again I say, rejoice. The Lord is always near.'* (Phil 4:4-5)

## CLASSROOM RESOURCES

The following are suggestions for helping the children understand the Advent wreath and the way it helps us to prepare for the birth of Jesus at Christmas.

**ALL CLASSROOM TEACHERS:** There are lots of different ways of making an Advent wreath and many of these can be found in previous Advent Resources; [www.kandle.ie/resources/primary-resources/](http://www.kandle.ie/resources/primary-resources/)

**THIRD – SIXTH CLASSES:** This year you could make a traditional Advent wreath by buying a florist's wreath to use as a base. You will also need three purple and one pink candles.

Collect the evergreen leaves for your wreath by taking the children on an **ADVENT WALK**.

Each classroom can make their own wreath and one class might take responsibility for the school wreath to be placed in the school Prayer Space.

Invite your priest to bless all the Advent wreaths at a School Assembly on November 25 or 28. Use the Assembly at which Advent wreath are blessed resource on **pages 7-9**

## ACTIVITIES

**INFANT TEACHERS: LEVEL 1**

**JUNIOR INFANTS:** There is a picture of an Advent wreath to colour on **page 4**. Talk to the children about the wreath, its shape, the significance of the four candles and the colours used. Use the colouring activity to help consolidate their learning. Use the pictures as part of your Advent Prayer Space.

**SENIOR INFANTS:**

Grow in Love Senior Infant Teacher Book (p92) has three options for making Advent Wreaths. There is a picture of an Advent wreath to colour on page 19 of the senior infant workbook. This is designed to be done at home.

## **LEVEL 2**

### **FIRST CLASS**

Talk to the children about the Advent wreath, its shape and the significance of the four candles as the way we count the four weeks during which we wait for Christmas. Talk about the different colours of candles used and how they are lit in order. Use the activity on **page 5** to consolidate learning. Consider sending home the page with a note asking parents/guardians to help their child hang up their picture and colour a candle each week of Advent.

**SECOND CLASS:** Chatting about the Advent wreath on page 99 of the Grow in Love teacher book

**LEVEL 3 AND 4:** Ask the children to do some research on the origins and history of the Advent wreath. They can use the worksheet on **page 6** to present their findings.
