## During Advent we get ready to welcome Jesus

The Jesse tree is like the family tree of Jesus. Its name comes from Jesse, who was the father of King David. Jesse and King David were ancestors of Jesus. We hang pictures or symbols on the Jesse tree. These symbols are connected to important people in the Old Testament. It shows us how long they waited for a king. We know that Jesus is the king that God promised to send. During Advent we use the Jesse Tree to remind us of God's promise as we wait for the birth of Jesus.

Find the symbols on the Jesse Tree. Connect the word and the symbol. Colour the picture.
