

November 20th

Universal Children’s Day / Lá Uilíoch na Leanbh

World Children’s Day was first established in 1954 as Universal Children's Day and is celebrated on 20 November each year to promote international togetherness, awareness among children worldwide, and improving children's welfare.

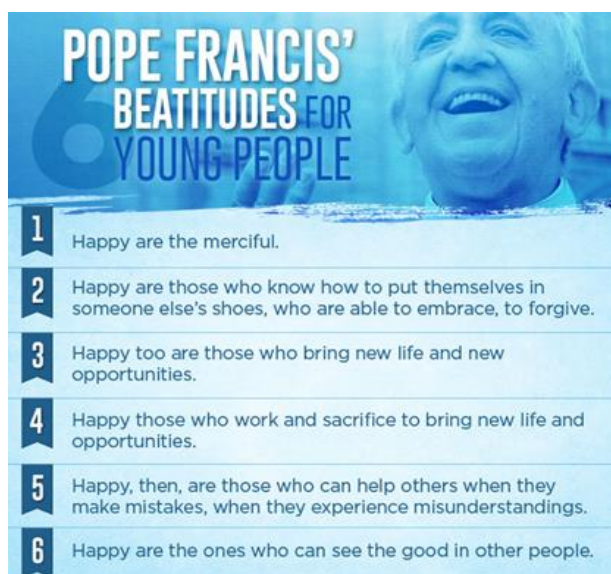

“Around the world, children are showing us their strength and leadership advocating for a more sustainable world for all. Let us build on advances and re-commit to putting children first. For every child, every right”. [UN Secretary-General António Guterres](#)
