If using Google Chrome as your browser, you may get a notification asking if you would like Google to remember your password. This is optional. Click Never or Save according to your preference.

Facebook will then look for a code to verify your account.

This will be emailed or texted to you depending on which information you gave while setting up your account. It can take a few minutes to arrive.

Once you have found your code and you have typed it into the box, click Continue.

You will then get a notification saying that your account is now confirmed. Click OK.

TIP TO GET STARTED

On the top left-hand corner, locate where it says Search Facebook. In this box, type in the name of a parish you would like to follow on Facebook.

From this search, you will be given a selection of pages in a dropdown menu, click the one you want.

Once you click Like on that page, their posts and activity will start to feature on your News Feed.
