

## DECRETUM EPISCOPI

When a marriage has been contracted with a dispensation from canonical form and the Catholic party belongs to a parish in this diocese, the priest of that parish who carried out the pre-marriage investigation is required to:

1. Enter into the marriage register of the parish of the Catholic party a note that a dispensation from canonical form and a permission for a mixed marriage (or dispensation from disparity of cult) were granted.
2. Send notification of the celebration of the marriage to the Bishop's House, giving the names and religious denominations of the parties, the names of the witnesses, the place and date of celebration and the name of the clergyman/official who officiated. (see Canon 1121, par.3)
